Spud

- Every camper is assigned a number from 1 to the number of players. Players form a close circle with one camper in the center who has the ball. The camper throws the ball straight up as high as he can and yells out a number. Everyone scatters except the camper whose number was called. He catches or picks up the ball. As soon as he has the ball, he yells "**SPUD**" and everyone must freeze. The camper with the ball can then take up to 3 giant steps towards any camper he wants. He then throws the ball at the camper. The target camper can move all parts of his body to dodge the throw - except his feet. If the camper is hit, he gets **S** otherwise the thrower gets **S**. Everyone gets back in a circle and whichever camper received a letter gets to throw the ball up for the next round. When a camper reaches **S-P-U-D**, he is out of the game. Or, after a set time, the person with the least letters is the winner. www.campingdude.com
